

In Collaboration with the NAVDF

# Lasers In Dermatology 2023 Session

Join Us **Tuesday, May 9, 2023** in the Aspen Room

Attention all North American Veterinary Dermatology Forum attendees! Don't miss this special laser dermatology session on May 9, 2023. The session will be located in the Aspen Room on Tuesday before the main NAVDF meeting begins on Wednesday. This is your chance to learn about the latest advancements in laser technology for treating various dermatological conditions in animals. Led by experienced laser dermatologists, this session will cover everything from the basics of laser surgery to the latest research and techniques on laser treatments.

The session is available in **two timeslots**, 9 am - noon and 1 pm - 4 pm, and both are free of charge and open to all NAVDF attendees. **Please RSVP by email to [kplumsky@vetscalpel.com](mailto:kplumsky@vetscalpel.com) to secure your spot in the timeslot of your choice.**
